STATE SENATOR BOUDREAUX RELEASES THE FOLLOWING STATEMENT REGARDING THE RECENT FUNDING DIRECTED TO IMPORTANT INFRASTRUCTURE PROJECTS IN ACADIANA

“The entire Acadiana area and I are incredibly pleased with the announcement made by Governor Edwards at his press conference yesterday. I would like to thank the Governor, President Cortez, Speaker Schexnayder, DOTD Secretary Wilson, and the entire Acadiana Delegation for their work in making this possible. Priority funding has been directed to two important, and much-needed, infrastructure projects in our area. There’s \$50 million earmarked for the I-49 Connector Project in Acadiana and another \$8 million for the Highway 190 project in St. Landry Parish. This is an excellent example of multiple parties working together to accomplish great things for our area.”
